at conferences**

**giving people explicit
permission to join new
groups of people**

A Pac-Man arcade machine is the central focus, illuminated with vibrant blue and green lights. The screen displays the classic maze game with a score of 1000. The machine's cabinet is dark, and the background is filled with blurred lights and other arcade games, creating a lively, nostalgic atmosphere.

**Pac-Man rule: when standing
as a group of people, always leave
room for 1 person to join your group.**

#3

Community++: for every year you have attended the event, you should try to meet that many new people each day.

Thanks ♥
